

**BROWNELLS****REMINGTON 700 ARMORER'S KIT****Essential Tools
For Professional
Remington 700 Work**

Indispensable collection of tools includes everything you need to service Remington 700s. The kit includes hex wrenches for your scope mounts and rings, a torque wrench for the guard screws and there's even a bench mat to protect the gun while you work on it. Plus, because of the amount of work the bolt assembly does, it requires frequent cleaning, disassembly, and service. Several of the tools give you a mechanical advantage to make that process simple. All of the tools carry our unconditional guarantee and will give you a lifetime of service.

#080-000-088 Remington 700 Armorer's Kit,
Complete With Tool Box 8K285U52 . . . \$ 346.37
