BROWNELLS GUN CASES

Rugged, Sturdy, Dependable - Built To Work As Hard As You & Your Guns Do!

When we started designing our Next Generation of soft gun cases, we talked to shooters. A LOT of shooters, both among our employees and our customers. What do they look for in a good... no, a great gun case? "Protects my guns really well." That's a given. "Built to last." Yep, got it. "Tough rip-stop nylon." Check. "Strong zippers." We hear ya - nothing worse than a fine case being sidelined by a crummy cheap zipper. "Gotta look good..." Roger that. "...In other colors than just Basic Black." Bingo. "Shouldn't cost an arm and a leg." For sure - who wants that? After we'd gathered more feedback and spent more time thinking about gun cases than we ever imagined doing, we hit the drawing boards, and here is the result: a no-nonsense line of practical, well-made, get-the-job-done gun cases that won't clean out your wallet.

These cases have the features you expect from a high-quality gun case - and from Brownells. A tough nylon exterior shell, thick, shock-absorbing foam padding, and a soft lining inside that all work to fully surround your gun and protect it from any "hostile" incursion. Internal tie-downs keep the gun from shifting inside the bag and bumping into other items. Nylon webbing carry handles are quadruple stitched so they will not pull out. Adjustable, quick-detach shoulder straps made of the same sturdy webbing material. Zippered external pockets for quick access to ammo, eyes/ears, or gear. Pull-assist tabs on the zippers. Silent, reinforced polymer adjustment buckles, QD shoulder strap swivels, and loops for quick reconfiguration of the bag as needed. Tastefully understated, embroidered Brownells "new" ram logo shows the world you're "Serious About Firearms."

TACTICAL RIFLE CASE

Just the right size for today's compact "modern sporting rifle" or carbine, and ready to go anywhere. Extra height ensures there's enough room to accommodate rifles with tall optics. The detachable shoulder strap can be removed and used as a carry sling. There's one huge, nearly full-length zippered exterior pocket for extra ammo and other gear. Inside, a padded divider panel protects the gun from bumping into mags or other gear carried in this case. 42" long x 12" high x 4" thick.

#084-000-435AT Tactical Rifle Case, Black, 1B44D63... \$ 49.99

#084-000-436AT Tactical Rifle Case, Tan, 1B44E63... 49.99

SCOPED RIFLE CASE

We know that not every rifle is an AR-15, so here's a case that's roomy enough for a big target rifle or magnum hunting rifle. There's plenty of height to accommodate that high-magnification scope but not a lot of unnecessary bulk elsewhere. Gentle, satin-like lining won't scratch fine bluing or the woodwork. The reinforced nylon web carry handles are positioned at the rifle's balance point, making this case easy to tote around. Two small zippered exterior pockets. 48" long x 12" high x 2 1/2" thick.

BROWNELLS

THREE-GUN COMPETITION CASE

Protects Your Guns During Transport To & From Competition - Superb Materials & Construction

Built for the three-gun competitor who

needs to transport a rifle, shotgun, and pistol safely and comfortably, but can be used by anybody who needs to transport multiple guns. Adjustable, padded shoulder straps allow hands-free carry like a backpack. Roomy, main compartment holds a scoped rifle and a tactical shotgun, separated by a padded divider that prevents any contact between the guns. Adjustable, hook-and-loop straps let you cinch down both long guns to prevent shifting during transport. Outside, three roomy zippered compartments hold spare magazines and other gear. One pocket includes a removable, soft-padded pistol rug. For long-distance transport, pack your guns in this case, then stuff the works in a big hard-shell travel case, and your guns will be as safe as can be! Accommodates shotguns with barrels up to 28" long - you can also use it to take a primary and a backup on a pheasant or duck hunt.

SPECS: 1,000 denier Cordura® nylon shell, black or coyote. 54" (137cm) long x 12" (33cm) wide x 5" (12.7cm) high. Exterior Pockets - Two (2) 15" (38.1cm) long x 10" (25.4cm) high x 2" (5.1cm) deep, and one 11" (28cm) long x 9" (22.9cm) high x 2" deep. Pistol Rug - 14" (35.6cm) long x 10" high.

SHOTGUN CASE

A shotgun is not a rifle, so why shove it into a rifle case, or a lumpy, generic long gun case? Our shotgun case is slim and trim, just like a fine shotgun, without a lot of bulk. But there's still plenty of room even for a large trap gun. Comfortable briefcase-style carry handles are placed at the gun's balance point. Two small zippered exterior pockets easily hold extra choke tubes, tools, or even a few spare shells. 52" long x 6" high x 2 1/2" thick.

#084-000-443AT Shotgun Case, Mossy Oak, 1B37K47... 49.99

3-GUN CASE

Here's one case to get all your guns safely to the range and back. The roomy main compartment has plenty of nylon web and hook-and-loop tie-downs to keep your rifle and shotgun from shifting around, plus a full-length/height padded divider to keep them separated. Outside there are two huge zippered pockets, one with a fitted, soft-side pistol case, and both suitable for carrying a lot of extra ammo or other gear. There's one more small, flat zippered exterior pocket, too. 54" long x 12" high x 5" thick.

BROWNELLS HARD-SHELL RIFLE CASE

Protects Guns From The Bumps & Bangs Of Travel

Our industrial-strength case is built like a tank so it protects your guns from bangs, bumps, and damage during travel. Keeps the elements at bay, too, with water- and airtight seals that prevent dust and moisture from getting in, even in extreme conditions. With an interior compartment over 51" long, it'll accommodate just about any long gun, while the dense interior foam keeps the gun from shifting around. Heavy-duty, dual-stage lockable latches and a built-in pressure valve are designed to withstand the rigors of air travel. Dual grab handles and rugged wheels make easy

to carry around, too. Plus, the Brownells ram logo is proudly displayed on the side to show the world who your favorite gun company is. **SPECS:** Reinforced, hard polymer exterior shell, brown. Brownells ram logo. 54.6" (138.5cm) long x 15.5" (39.4cm) wide, 6" (15.2cm) high. Interior - pluckable foam. 51.5" (130.8cm) long x 12.6" (32cm) wide x 5.25" (13.3cm) high.

NEGRINI CASES GUN CASES

Premium Fully Cushioned Cases For Your Best Guns

Single

Skeet & Sport Barrel/Tube Set Case

Unicast

These hard-sided cases feature thick, double-walled exterior shells of thermoformed ABS polypropylene welded to a rigid inner case for maximum shock absorption. Fully cushioned inner case is lined with plush fabric to protect the gun's finish - wood and bluing - and separate compartments for accessories. Each case is fitted with hardened steel combination locks and hinges that are recessed to protect them from damage or snagging. Ultra strong construction makes these cases ideal for air travel, car, range, or home.

BLACKHAWK INDUSTRIES TACTICAL RIFLE CASE

Added Padding Protects Rifle & Optics

A shell of abrasion- and mildew-resistant, 1000 denier, Nylaneon nylon surrounds 3/8" of padding on the top and bottom of the case for snug, no-slip protection of your rifle and its expensive optics. Padding on the bottom of the case covers the zipper tracks to protect your rifle from scratches. A double-stitched, nylon carry handle is attached to the case with multi-reinforced stitching; an adjustable, padded sling offers a tactical-carry option. All cases ac-

cept rifles with mounted optics and fully unzip to be used as a shooting mat. **Standard Rifle** case is available in 34", 37", and 41" lengths and features four high-capacity magazine pouches (five on 41" case) with positive-close hook-and-loop patch closures, plus zippered compartments in the front for additional storage. **Scoped Rifle** case provides 51" of length to accept a scoped rifle with longer barrel and includes two, large, outside cargo pouches for ammo, magazines, and supplies instead of separate magazine pouches. **SPECS:** 1000 denier, Nylaneon nylon, black.

BROWNELLS SIGNATURE PISTOL CASE

Premium Features Provide Maximum Convenience & Protection

Use as a stand-alone case or for extra protection when carrying your handgun in a range bag with other gear. Large enough for guns with optics, lasers, or tactical lights. Triple protection system includes a tough, Cordura nylon outer shell, dual layer of shock-absorbing foam, and nylon Tricot inner lining. Nylon zipper with brass slide and pull keeps the case sealed; a brass D-ring lets you lock the case (padlock not included). Nylon-web carry strap completes the package. **Standard** is just the right size for small and mid-size pistols and revolvers. **Magnum** is built extra large to fit those long barreled, large magnum revolvers and pistols. **Deluxe Magnum** has an external, zippered pocket ideal for storing extra ammunition, cleaning supplies, shooting glasses, hearing protection or other gear.

SPECS: Brown Cordura nylon shell, black Tricot interior. **Standard** - 12" (30.5cm) long, 8" (20.3cm) high, approximately 1 1/2" (3.8cm) thick when zipped. **Magnum** - 18" (45.7cm) long, 9" (22.8cm) high, approximately 1 1/2" thick when zipped. **Deluxe Magnum** - Storage pocket, 8" (20cm) long, 6" (15cm) high, approximately 1 1/4" (4.4cm).

BROWNELLS FRINGED GUN COVER

Protects Your Traditional Long Guns

Protect your buffalo rifle, coach gun, or traditional muzzleloader in this genuine suede leather gun sleeve. Angled design is tailored after Old West gun covers for a superior fit and period looks. Flap with leather tie closure secures your gun inside the case and keeps dust and dampness out. Loop on muzzle end allows easy storage. Brownells logo patch on the side lets everyone know it's the genuine article!

SPECS: Leather, russet brown. 66" (168cm) long. Fits rifles and shotguns up to 60" (152cm) long.

- #080-000-369AT Fringed Gun Cover, 8K57132 \$ 70.99

BULLDOG CASES DISCREET RIFLE CASE

Secure Carry For Tactical Rifles Or Shotguns

Compact, rectangle shape has plenty of room to carry a long gun, plus extra gear, including ammo in six magazine sleeves concealed in the two external zippered pockets. Heavy-duty Tetron canvas shell and fiber-reinforced sidewalls give the weapon extra protection from impact and the elements. A water-resistant outer shell of double-stitched nylon or Tetron canvas, generous foam padding, and a heavy-duty, full-length nylon zipper stand up to the rigors of any mission. The soft, brushed nylon Tricot lining won't snag on optics, lights, rails, and other accessories when removing weapon. Wrap-around carry handles of tough, woven nylon webbing won't tear under hard use, and zippered exterior pockets give you quick access to ammo, accessories, and other gear without opening the main compartment.

SPECS: Tetron canvas shell, black. 45" (102cm or 114cm) long, 13" (33cm) wide, 2 1/2" (6.4cm) thick.

- #100-005-305AT Discreet Rifle Case, 45", 7F44C99 \$ 44.99

BROWNELLS GUN SOCK

Protects Guns From Scratches & Rust During Storage

Stretchy gun sock slips over guns to cushion them from scratches and small dings during storage. Silicone-impregnated cloth inhibits rust and wicks moisture away from metal surfaces. Tag sewn into closed end gives you a handy place to write down make, model and other information to identify the gun without removing the sock. A big Brownells Ram logo on the outside shows everyone that you're "Serious About Firearms". Gray stretch fabric.

- #084-000-423AT 14" Handgun Gun Sock, 2F7C27 7.99

NEW! PELICAN 1700 PROTECTOR CASE™

Superb Carbine-Length Hard Case for Your MSR

A strong, rugged hard-shell rifle case with plenty of room inside. Made of Pelican's flavor of reinforced polypropylene and O-ring sealed, so it's watertight, crushproof, and dustproof. The perfect way to protect long guns on a long trip. Comes with three pieces of thick foam that you can cut to fit your gun(s) and gear. Automatic pressure equalization, easy-to-open ABS polymer double-throw latches, ergonomic fold-down carry handle, stainless steel hardware, and tough, smooth-spinning polyurethane wheels on stainless steel ball bearings. And if it falls in the lake...it floats.

- #100-020-930AT 1700 Gun Case, Black, 2Z224B50 \$ 229.99
- #100-020-931AT 1700 Gun Case, Tan, 2Z224Q50 229.99

PLANO SCOPED RIFLE CASE

Secure, Economical Hard Case Protects Your Rifle & Its Mounted Optic

Thick-walled, high impact polymer case features an interlocking foam liner and Plano's PillarLock system to protect your scoped rifle. It's lightweight, airline-approved, and fitted with a large, molded-in handle for comfortable carry. Molded loops for padlocks allow the case to be securely locked (padlock not included). Plenty of room inside for a scoped rifle or shotgun up to 52" in length.

- #696-000-002AT Single Scoped Rifle Case, 6F22E99 \$ 22.99

NEW! Color

Unbreakable Hard Shell Protects Your Gun From Dust, Water & Shock

PELICAN 1720 RIFLE CASE

Pelican's super-tough, lightweight, hardshell 1720 case protects your valuable gun from just about any punishment you can dish up, from everyday bangs and dings to the rigors of tactical operations. This case even floats, so a gun overboard isn't lost for good. Holds rifles or shotguns up to 42" long, with extra space for handguns, magazines, or other accessories. The outer shell of high impact, polypropylene structural resin has an open-cell core and solid walls to safeguard the guns inside from dust, water, and many chemicals. High-density polyurethane foam inside protects it from vibration and shock. A tongue-and-groove lid with a neoprene sponge O-ring provides an airtight, waterproof seal, while the unique, one-way automatic purge valve equalizes pressure inside for ease in closing the lid. Easy-opening ABS polymer latches lock up good and tight when you want them to; molded-in loops accept padlocks (locks not included) for added security. Long-wearing, stainless steel pins in the hinges and handles provide years of trouble-free service. Durable, polyurethane transport wheels with nylon hubs and steel bearings make this case easy to transport, and it's stackable for easy storage. Meets MIL-STD 4150J and has an Ingress Protection rating of IP-67.

PELICAN IM3200/IM3220 STORM CASE

Rugged, Water-Tight Hard-Case Protection for Larger Long Guns

The IM3200 is a water-tight hard-side case that will hold long guns - and plenty of extra gear - up to 44" long. It's made of lightweight, yet amazingly resilient, injection-molded HPX[®] resin resin that'll take plenty of hard knocks and not let them get to your gun(s) inside. Comes with high-density foam padding that you can cut to fit your guns. A total of SIX press-and-pull latches mean this case isn't springing open by accident. The 4 side latches are padlock-able (though maybe you don't need that much redundancy!). O-ring sealed with a Vortex automatic purge valve. Plus: double-layered soft-grip handle and smooth-spinning inline wheels.

- #100-020-934AT IM3200 Gun Case, Black, 2Z228Q55 \$ 239.99

IM3220 - An extra-depth version of the IM3200 with the same features and same rugged construction but a full 8.5" of interior depth (height) to carry a lot more gear in the same footprint.

- #100-020-940AT Storm Case IM3220 Gun Case, Black, 2Z239E78 \$ 249.99

NEW!

PELICAN IM3300 STORM CASES

Reinforced Protection for Guns Up To 50" Long - Choose Cut-To-Size Foam Padding or Customized Rifle & Shotgun Models

The IM3300 is a larger version of the IM3200, with all of the smaller model's protective features. The IM3300 is available in three versions: a "Generic" version with uncut foam padding that is ready for you to customize to whatever gun(s) you choose to carry. The **Rifle** model comes with a foam interior pre-cut to accept a bolt action rifle with optic installed, plus a separate cutout for the bolt assembly itself and extra cutouts for other gear. **Shotgun** case has a cutout to accept a pump action or semi-auto shotgun, positioned at an angle so you can fit in a bit longer gun while keeping the case OAL to a minimum.

PELICAN 1750 GUN CASE

Watertight, Floatable Hard-Shell Protection for Rifle or Shotgun Up To 50" OAL

A longer, narrower variant of the 1700 case, the 1750 is ideal for a scoped bolt action rifle or a competition shotgun. The hard polypropylene shell is lined with high-density foam inside to protect the gun from vibration and shock. Rubber O-ring seals in the lid are so tight this case will float! Cut-to-fit foam padding inside lets you turn your 1750 into a custom case for whatever gun(s) you're hauling. Easy-to-open polymer latches with steel padlock loops stay closed once they're closed. An automatic purge valve to equalizes pressure inside the case during air transport. Rugged stainless steel pins in hinges and handles for long service life, plus durable polyurethane wheels with smooth-spinning stainless steel bearings. Stackable for easy storage of multiple 1750s.

SPECS: Exterior: 53" long x 16" with x 6.12" high. Interior: 50.5" long x 13.5" wide x 5.25" high. IP67, STANAG 4280, and Def Stan 81-41 certified.

VOODOO TACTICAL PADDED WEAPONS CASE

Protects Multiple Guns From The Hard Knocks Of Travel

Heavy-duty padded case holds two rifles, two pistols, and extra gear. Main compartment has thick foam on all six sides with plenty of room for rifles up to 41" in length. Adjustable straps inside keep your rifles securely in place, while corner pockets protect the muzzle and buttstock. A cushioned internal divider prevents the rifles from rubbing together. Inside the big external

compartment you'll find two padded pockets for pistols, optics, or more small stuff. Three more exterior pouches will hold boxes of ammo, a cleaning kit, or spare magazines. External MOLLE loops allow you to attach additional gear. Carry by the padded handle, detachable shoulder strap, or the back pack-style shoulder harness.

SPECS: Ballistic pack cloth, black or purple. 42" (106cm) long, 12" (30.5) high, 4" (10.2cm) wide. Side Compartment: 26" (66cm) long, 12" (30.5) high, 3 1/2" (8.9cm) wide.

SEAHORSE SE-540FP4 FOUR-HANDGUN CASE

Crushproof Hard Case Cradles Four Handguns In Foam Padding

Rugged, lightweight, injection-molded polypropylene pistol case withstands heavy abuse in any environment. Fully padded interior surrounds the guns to protect them from drops, tumbles, and impact. A die-cut Accuform foam insert holds four downward-facing handguns, eight magazines, and two revolver speed loaders. A large cavity has room for a box of ammo or other

items. A rubber O-ring sealed, tongue-and-groove lid keeps out water and dust. Sturdy ridges protect hinges, easy-opening latches, and molded-in padlock holes. Automatic pressure relief system for easy opening after air travel. Meets TSA checked baggage guidelines, MIL-STD 810F 512.4, and Ingress Protection Standard IP 67.

SPECS: High-impact polypropylene shell, black. High-density foam, gray. 15" (38cm) long x 12 1/2" (30.8cm) wide x 9 1/2" (24.1cm) high. Internal dimensions: 13 1/2" (34.3cm) long x 9 1/4" (24.8cm) wide x 8 1/2" (22.2cm) high. 6.3 lbs. (2.8kg) wt.

HORNADY RAPID SAFE 2600/2700

Fast & Dependable Touch-Free Entry

It's compact, good-looking, and it uses the latest integrated RFID technology to keep unauthorized hands off your handgun, while allowing you instant, touch-free access to it. Pass one of the RFID chips over the safe, and the spring-loaded lid pops open instantly, letting you quickly retrieve your handgun. Made of 14 gauge steel, this safe has two locking lugs for a pry-resistant closure. Thick foam padding inside keeps your pistol from sliding around. Meets TSA requirements for handgun security in checked baggage. Includes power cord, RFID wristband, two RFID stickers, RFID key fob, two back-up keys, and a security cable. **2600** holds most compact handguns or 2" -barreled snub-nosed revolver. **2700** holds a full-size pistol or a 4" revolver. **Key Only** - for the economy-minded (or technology-wary!) both models are also available with key-only entry.

SPECS: Steel, gray. **2600** - 10.7" (27.2cm) long, 8.7" (22.1cm) wide, 2.9" (7.4cm) high. **2700** - 12.7" (32.2cm) long, 8.7" (22.1cm) wide, 2.9" (7.4cm) high.

GUN STORAGE SOLUTIONS RIFLE/PISTOL STORAGE SYSTEM

Lets You Store More Guns
In Less Space; Organizes &
Protects Them From Damage

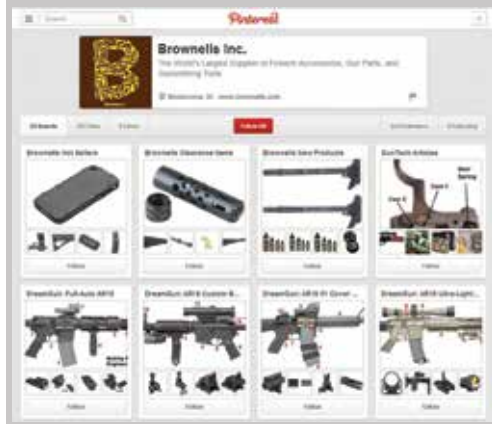

Versatile, easy-to-install, expandable storage system lets you fit more guns in your gun safe, cabinet, or closet. Keeps them organized, helps prevent damage from bumping into each other, and makes them more accessible. Saves hundreds or even thousands of dollars on the cost of another safe. Rifle Rod system works with all long guns and lets you store more of them

by using the "dead space" in the middle of your safe, rather than just along the walls. Attach the Loop Fabric to the top of the safe or the underside of the bottom shelf. Insert a Rifle Rod in the bore, position the gun upright where you want it, then extend the rod and lock it to the loop fabric. The gun can't tip sideways or fall over, and it won't come out until you remove it. By storing long guns this way, you free up space in your safe, and you don't have to remove all the guns at the front just to get out one stored in the back. To get started, you'll need a Rifle Rod Starter Kit and a piece of floor foam. Then purchase additional rifle rods to accommodate the rest of your collection. Handgun Hangers let you suspend semi-auto pistols and revolvers from the underside of a 1/2" to 1" thick shelf. Steel construction supports even heavy magnums, yet rod is thin enough to accept .22 caliber guns. Vinyl coated to protect muzzle and rifling.

- SPECS:** Rifle Rods - Molded polymer rod, black, 16" (41cm) long. Fits .22 cal. to bazooka. Starter Kits contain Rifle Rods and Loop Fabric. Floor Foam - High-density polyurethane foam, 1/2" thick. Small: 15" x 20". Large: 20" x 30". Handgun Hangers - Steel, vinyl-coated, black, 10" long. Sold in 4 Paks.

BROWNELLS RUST VETO

Powerful Rust Preventer
Does The Job Of Cosmoline®

Soft, medium-dark industrial-grade grease with a powerful combination of highly refined petroleum oils and waxes, plus corrosion and oxidation inhibitors, preserves and protects stored gun from corrosion for years. Works the same as Cosmoline. Liquefies when heated to 140°-170° F., so you can immerse parts for complete penetration and coverage of intricate shapes and recesses.

- #083-000-035AT Brownells Rust Veto, 4 lb., 5L33P01... 36.95

BROWNELLS GUNWRAP™ PAPER

Meets Mil Spec P-3420F
Rust-Free Storage In
Gun-Factory Paper

Wrap around guns, tools, other steel valuables for protection from moisture and rust. 1 square foot of paper protects 1 cubic foot of space. Tests show 10-15 years protection when steel parts were wrapped in GUNWRAP, sealed in plastic and stored in a cool place. Will not damage bluing or steel. Not recommended for aluminum, silver, brass or copper. May cosmetically stain nickel plating, tho' normally cleans off. Not compatible with some older lacquer finishes.

- SPECS:** Available in 12" x 12" sheets or 4" x 36" strips.
- #084-031-010AT Trial Pak 1212, 10 Sheet, 4H7K05 \$ 9.97

BUENGER ENTERPRISES GOLDENROD DEHUMIDIFIER

Warms Gun Safe Air To
Eliminate Moisture &
Corrosion

Designed to handle the worst kinds of humidity problems to give your gun safe, locker or cabinet the perfect environment for storing valuable firearms. GoldenRod dehumidifiers use a sealed, electric element to safely heat to a surface temperature of less than 150°F (almost too warm to hold), air inside the enclosure stays slightly warmer than the ambient, outside temperature. Expansion of the heated air drives out rust-causing moisture and circulates warm, dry air throughout the storage area. Mount GoldenRod horizontally at the bottom of the enclosure using the provided universal mounting brackets, plug it in, and forget about it. There's nothing to empty, refill, or bake dry. Your firearms are continuously protected from rust and mildew. Select from 12", 18", 24" and 36" long models. The longest unit that fits horizontally is recommended. GoldenRod cannot overdry an area.

- SPECS:** Gold color metal tube. 12" - 12" (30.5cm) long, 12 watts, covers approx. 100 cu./ft. 18" - 18" (45.7cm) long, 18 watts, covers approx. 200 cu./ft. 24" - 24" (61cm) long, 25 watts, covers approx. 300 cu./ft. 36" - 36" (91cm) long, 38 watts, covers approx. 500 cu./ft. Includes mounting brackets and screws.
- #111-000-003AT 12" GoldenRod, 7A32M99 \$32.99
 - #111-002-018AT 18" Goldenrod, 7A34H99 34.99
 - #111-002-024AT 24" Goldenrod, 7A36P99 36.99
 - #111-000-004AT 36" GoldenRod, 7A39N99 39.99

GUNSAVER BY GOLDENROD - Every bit as effective as the GoldenRod for a reduced price. GS-12 (12" long) dehumidifies up to approximately 100 cu/ft; GS-18 (18" long), 200 cu/ft. Selecting the longest unit that fits horizontally is recommended. GunSaver cannot overdry an area.

- SPECS:** Black color, metal tube. GS-12 - 12" (30.5cm) long, 8 watts. GS-18 - 18" (45.7cm) long, 12 watts. Includes mounting brackets and screws.
- #111-000-001AT GS-12 GunSaver, 7A19G46 \$19.99
 - #111-000-002AT GS-18 GunSaver, 7A22F59 23.99

BROWNELLS VACUUM SEAL STORAGE BAGS

Maximum Protection From Rust &
Corrosion During Long-Term Storage

Air-tight, industrial-grade storage bags are treated with advanced Vapor Phase Corrosion Inhibitor (VPCI) inside to protect and preserve your valuable firearms during long term storage—from 5 years up to as long as 20 years. Non-toxic VPCI forms an invisible gas inside the laminated polymer-and-foil shell that bonds to the firearm's metal surfaces and prevents corrosion from starting. Won't harm optics, non-metal surfaces, or stock finishes. Bag has a one-way check valve that allows you to use any conventional vacuum cleaner hose to remove the air from the inside to help ensure maximum long-term protection. Puncture and tear resistant shell is completely flexible for easy storage in gun safes and hard cases. Press-to-close, air-tight zip-lock seal keeps out air, moisture, and contaminants, and stays sealed even in harsh environments. The U.S. Marine Corps uses the same technology for long-term storage of M16A2 rifles. Handgun model holds one large or two small handguns; Tactical Rifle is designed for an AR-15/M16/M4-type rifle with optic; Sporting Rifle/Shotgun model holds a long gun up to 54" long.

- SPECS:** Laminated polymer/foil shell, VPCI impregnated interior. Handgun - 15" (38cm) x 11" (28cm); Tactical Rifle - 49" (1.2m) x 14" (35cm); Rifle/Shotgun - 54" (1.4m) x 11" (28cm).

 - #080-000-824AT Tactical Storage Bag, 6B28K07 30.99
 - #080-000-823AT Rifle/Shotgun Storage Bag, 6B25J59 27.99

REMINGTON MODEL 365 MINI DEHUMIDIFIER

Great For Humid Climates
To Prevent Rust, Rot & Mildew

Compact, renewable unit removes moisture from closets, cabinets, gun safes, and enclosed areas to protect your guns and valuables from rust, corrosion, rot, and mildew. Odorless and non-toxic Water Glass Technology crystals absorb moisture for up to 60 days before regeneration is required. Self-contained—does not require power to operate. Just plug it in to a 110v outlet for 8 to 10 hours to completely regenerate. The indicator window will turn blue when the unit is fully charged and ready to absorb moisture; pink indicates it needs regeneration.

- SPECS:** Polymer housing. Approximately 6" (15.2cm) long, 4 1/2" (12cm) wide, 1 1/2" (3.8cm) thick.
- #768-000-010AT Mini Dehumidifier, 8F21J52 \$22.99

DAUBRITE® 10 DISK VCI EMITTER

Protects Metals From Moisture & Corrosion

Thin, lightweight, round, non-woven disk emits invisible, volatile corrosion inhibiting (VCI) vapors that fill confined air space to prevent metal corrosion. One Durabrite 10 disk provides corrosion protection for up to 10 cu. ft. for 24 months. Prevents moisture, salt, dirt, oxygen and other contaminants from corroding or tarnishing steel, aluminum, iron, zinc, copper, tin, brass, bronze, silver, nickel, nickel-plated steel, lead, magnesium, and others. Use in gun safes and cabinets, utility and tool boxes, shipping containers, and control boxes with exposed wires. Adhesive tape on back for easy installation.

- SPECS:** Compressed fiber disk. 2 1/2" (56mm) dia. x 1/8" (6.4mm) thick. .39 oz. (12g) weight. Protects 10 cu. ft. for 24 months. One per pak.
- #100-005-220AT Disk VCI Emitter, Each, 6A3A40 \$3.99

SILICA GEL PAKS

Keeps Gun Cabinets/Tool Boxes
DRY!! Prevents Rust/Damage
To Valuables

One of the most effective moisture absorbers ever developed. These man-made crystals prevent rust, mildew, corrosion, and tarnish before they start by literally "sucking up" and safely holding the moisture that causes them. Yet, the crystals stay dry to the touch, will not harm or dampen any surface even when saturated. When built-in indicator changes from blue to pink, the crystals have all the moisture they can hold, and are easily reactivated by heating in a conventional oven for 3 hours. The crystals can be reactivated over and over again, giving you a lifetime of protection from the destructive effect of dampness. These premium grade Crystals are made by W.R. Grace & Co. to Mil Spec D-3716 for positive, moisture-free protection. Gives longest time between reactivations when used in enclosed areas and containers. Perfect for tool chests and lockers, closets, safes, etc., to protect guns, cameras, silver, clothing, documents, leather, medicines, electronics and tools. Several boxes may be used together for large gun cabinets and chests, closets, darkrooms, boat lockers.

- SPECS:** 40 Gram protects 3 cu. ft. - one drawer, individual gun, or a camera. 2" (5.1cm) x 4" (10.2cm) x 1/2" (1.3cm) flat aluminum can. 450 Gram protects 33 cu. ft. 7" (17cm) x 4 1/2" (11cm) x 2" (5cm) corrugated carton. 750 Gram protects up to 57 cu. ft. 6" (15.2cm) high x 4" (10.2cm) dia. steel can. 900 Gram protects 66 cu. ft. 6" (15.2cm) x 3" (7.6cm) x 8 1/2" (21cm) corrugated carton.

BROWNELLS DESI PAK® MOISTURE CONTROL FOR GUN SAFES & STORAGE

Reusable Bulk Paks Absorb Humidity
To Protect Your Guns

Absorbs the moisture near your guns; when it gets "full", just bake it in an oven to get the moisture out, then reuse. Big bulk paks to handle gun safes and long term applications. No fancy containers or packaging, just the "stuff" ready to put to work. 

SPECS: Dual Pak contains: (2) 16 Unit (528g) Calcium Aluminosilicate Clay Desi Paks; (1) Humidity Indicator and Instructions.

#083-053-101AT	1 Dual Desi Pak, 3H20M86	\$ 30.99

#083-053-100AT	Desi Paks Humidity Cards, 5-pak, 3H8184	11.99

ONE GUN DESI PAK - Just right for protecting firearms stored in a gun case or container. Fully sealed; puncture resistant.

SPECS: Calcium Aluminosilicate, Tyvek bag, 5" (10mm) x 5"

#083-053-012AT	12 One-Gun Desi Paks, 3H20K36	\$ 24.99
#083-053-036AT	36 One-Gun Desi Paks, 3H47M83	68.99

BROWNELLS RUST PREVENTIVE NO. 2™

Neutralizes Fingerprints, Prevents Rust

The gun oil that's a rust proofer too! Proven for decades to **prevent rust** in the worst possible hunting and shooting weather. Gets under fingerprints and moisture, then leaves an invisible film to protect and lubricate. Unlike general purpose water displacing rust proofers, RP2 won't gum-up in the nooks and crannies.

#083-019-032AT	*1 Quart Rust Preventive No. 2, 5L34P90	40.99
#083-019-128AT	*1 Gallon Rust Preventive No. 2, 5L89P49	116.99

STACK-ON WIRELESS RECHARGEABLE DEHUMIDIFIER

Absorbs Humidity
Without Being Plugged In

Wireless dehumidifier absorbs moisture without the need to drill holes or run electrical cords through your safe. Compact size won't take up precious storage room. Absorbs moisture from enclosed spaces up to 100 cubic feet for 4 to 6 weeks before needing to be recharged. Easy-to-read moisture gauge on the front tells you when unit is saturated. Plug the dehumidifier into any standard electrical outlet for 8 to 10 hours to recharge.

SPECS: Plastic, white. 6" (15.2cm) long, 4½" (11.4cm) wide, 1¼" (3.1cm) thick. Recharge by plugging into any standard 110-volt outlet.

#100-011-532AT	Wireless Rechargeable Dehumidifier, 6F21A31	\$ 24.99

BROWNELLS TRIPLETOUGH™ PREMIUM STORAGE BAGS

Once Sealed,
They're Impervious To Moisture;
The 100-Year Gun Storage Bag

These bags have a 0% moisture transmission rating, so rust-protected items sealed inside will remain corrosion-free indefinitely. Resistant to all petroleum based chemicals and solvents and completely non-biodegradable, so they will **never** break down even in full contact with soil or moisture. Anti-static properties make them a perfect dust cover for short term storage in a vault. 

SPECS: Polyester/aluminum/polyethylene film, silver. Handgun 8" (20cm) x 20" (50cm). Rifle 12" (30cm) x 60" (152cm).

#083-000-003AT	3-Pak, Rifle Storage Kit, 3H20D65	24.99
#083-000-004AT	12-Pak, Rifle Storage Kit, 3H76Q17	94.99

BROWNELLS RUST-BLOX™ VAPOR TABS

Meet Fed. Std. 101B Method 4031
Non-Toxic Stops Rust Before It
Has A Chance To Start

Each of these "Blox" will protect up to 300 cubic inches of airtight space with time-released, corrosion-inhibiting vapors for at least one year. "Blox" rust and corrosion formation on steel, aluminum, copper and brass without harming or discoloring the protected item. Drop one in zip-top or sealable poly bag with tools, parts, guns, etc. Spread several through tool chest, tackle box, gun cabinet, wherever you want protection. (Just be sure to use enough to cover cu/in of space protected.) 

SPECS: ¾" (19mm) squares. Packed in 12, 50 or 100.

#084-058-012AT	12 Rust Blox™, 4H5P12	\$ 5.99
